RE: Applicable or Relevant and Appropriate Requirements (ARARs) for the Michigan Chrome and Chemical Site, Detroit, Wayne County, Michigan

Dear Mr. Russell:

The United States Environmental Protection Agency (U.S. EPA) is planning to conduct a time-critical removal action at the Michigan Chrome and Chemical Site in Detroit, Wayne County, Michigan. I will be directing the removal operations for U.S. EPA in accordance with the National Contingency Plan (40 CFR, Part 300).

Please inform me of any Michigan ARARs which are pertinent to removal actions at the site. If this information is received prior to the commencement of removal activities, U.S. EPA will, to the extent practicable, incorporate the Michigan ARARs into the removal activities.

If you have any questions or comments, please contact me at 313-692-7685.

Sincerely,

P.C. Lall, P.E.
On-Scene Coordinator
